A.A. Principles

Step 9: Made direct amends to such people wherever possible, except when to do so would injure them or others.

Tradition 9: A.A., as such, ought never be organized; but we may create service boards or committees directly responsible to those they serve.

Words from Bill W.

Let us resist the proud assumption that since God has enabled us to do well in one area we are destined to be a channel of saving grace for everybody. Pg. 304
