A.A. Principles

Step 2: Came to believe that a Power greater than ourselves could restore us to sanity.

Tradition 2: For our group purpose there is but one ultimate authority—a loving God as He may express Himself in our group conscience. Our leaders are but trusted servants; they do not govern.

Words from Bill W.

If humility could enable us to find the grace by which the deadly alcohol obsession could be banished, then there must be hope of the same result respecting any other problem we can possibly have. Page 325.
