Location of District Meetings Under Discussion

The matter of where best to hold District 10 meetings has been raised and is being considered by your GSRs. Currently meetings rotate between Plattsburgh, Elizabethtown and Saranac Lake (see pg.2). This schedule was adopted in Jan. 2010. A proposal has been made to hold all meetings in Plattsburgh. The argument is that, at least recently, attendance has been higher at the Plattsburgh location. Attendance records from the past few years are being reviewed to see if any conclusions can be drawn from the data. A vote is expected in a few months.

If you have an opinion on this matter either pass it along to your GSR or attend one of the upcoming District meetings to express your opinion in person.

Champlain 86'd

The Champlain Northern Tier Group, the only group in the District meeting in an active bar, has been tossed out. Still meeting at 7:30pm on Mondays, the new location is:

St. Mary's Academy,
1129 Rt. 9/Main St., Champlain.
