## A.A. Principles

Step 9: Made direct amends to such people wherever possible, except when to do so would injure them or others.

Tradition 9: A.A., as such, ought never be organized; but we may create service boards or committees directly responsible to those they serve

Words from Bill W. As faith grows, so does inner security. The vast underlying fear of nothingness commences to subside. We of A.A. find that our basic antidote for fear is a spiritual awakening.
